

Maximize Your Software Investment With Foundations Training

The difference between struggling with new software and mastering it often comes down to one factor: proper onboarding. RealGreen's Foundations Training Package is your fast track to software success, combining the flexibility of self-paced learning with the expertise of live training specialists.

OUR TWO-STEP APPROACH: BLENDED LEARNING

24/7 self-guided learning through WorkWave University

- ✓ Learn fundamental concepts at your own pace
- ✓ Access interactive training modules anytime, anywhere
- ✓ Complete step-by-step checklists to track your progress
- ✓ Build confidence before live sessions

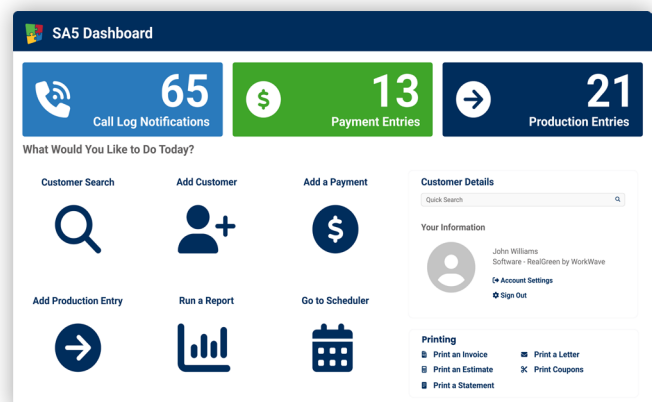

Live sessions with Training Specialists

- ✓ Workshop sessions with dedicated Training Specialists
- ✓ Focused on the software's fundamentals and best practices
- ✓ Addresses common questions
- ✓ Structured learning approach designed to build a strong foundation of knowledge

THE ROI of Foundations Training

Companies that complete our onboarding program consistently see:

-  **20% improvement** in operational efficiency
-  **4+ additional stops** per technician, per day
-  **12% increase** in cross-selling and upselling success
-  **30% growth** in autopay customer enrollment

THE LONG-TERM BENEFITS

Accelerated Time to Value

- ✓ Start using advanced features sooner
- ✓ Implement proven workflows from day one
- ✓ Avoid costly trial-and-error learning

Maximized Software Utilization

- ✓ Access all features of RealGreen
- ✓ Learn efficiency-boosting shortcuts
- ✓ Implement money-saving automation

Higher Team Adoption

- ✓ Reduce resistance to change
- ✓ Build team confidence quickly
- ✓ Ensure consistent usage across your organization

Reduced Operational Disruption

- ✓ Maintain productivity during transition
- ✓ Minimize downtime and confusion
- ✓ Keep your business running smoothly

SUCCESS STORY: BERKSHIRE TURFGRASS

Scan the QR code to read about how Berkshire Turfgrass used our structured onboarding process for maximum success. They were able to easily migrate their entire customer base, streamline their operations, and achieve a 60% increase in aeration and seeding upsells during busy season.

“My experience and interactions with Megan from implementation **HAVE BEEN PHENOMENAL.** Her **customer relations** are great. Her **communications** are great. Her **knowledge base** is great.”
